Integrated and coordinated implementation of and follow-up to the outcomes of the major United Nations conferences and summits in the economic, social and related fields

Follow-up to the outcome of the Millennium Summit

Letter dated 22 September 2015 from the Permanent Representative of Bangladesh to the United Nations addressed to the Secretary-General

As the Permanent Representative of the country holding the presidency of the Inter-Parliamentary Union (IPU), I have the honour to draw attention to the final declaration adopted at the Fourth World Conference of Speakers of Parliament, convened by IPU at United Nations Headquarters from 31 August to 2 September 2015. The declaration is available in the six official languages of the United Nations at www.ipu.org/splz-e/speakers15.htm.

In line with paragraph 7 of annex I to General Assembly resolution 69/244 on the organization of the United Nations summit for the adoption of the post-2015 development agenda, a representative of the Fourth World Conference will be invited to convey the final outcome of the Conference to the assembled Heads of State or Government.

Previously, in its resolution 68/272 on interaction between the United Nations, national parliaments and IPU, the General Assembly had welcomed the preparations for the organization of the Fourth World Conference and encouraged the conduct of those preparations in close cooperation with the United Nations with a view to holding the Conference at United Nations Headquarters as part of the series of high-level meetings in 2015, and maximizing political support for the outcome of the summit on the post-2015 development agenda.

In view of the foregoing, I request that the present letter be circulated as a document of the General Assembly, under agenda items 15 and 116.
